RCM Technologies, Inc. Supplemental Operating Results on a Non-GAAP Basis (Unaudited) (In Thousands)

The following non-GAAP measures, which adjust for the categories of expenses described below, are non-GAAP financial measures. Our management believes that these non-GAAP financial measures ("Adjusted operating income," "EBITDA" and "Adjusted EBITDA") are useful information for investors, shareholders, and other stakeholders of our Company in gauging our results of operations on an ongoing basis and to enhance investors' overall understanding of our current financial performance and period-to-period comparisons. Adjusted operating income, EBITDA and Adjusted EBITDA should not be considered alternatives to net income as an indicator of performance. In addition, Adjusted operating income, EBITDA and Adjusted EBITDA do not take into account changes in certain assets and liabilities and interest and income taxes that can affect cash flows. We do not intend the presentation of these non-GAAP measures to be considered in isolation or as a substitute for results prepared in accordance with GAAP. These non-GAAP measures should be read-only in conjunction with our consolidated financial statements prepared in accordance with GAAP.

The following unaudited table presents the Company's GAAP net income and the corresponding adjustments used to calculate Adjusted operating income, EBITDA and Adjusted EBITDA for the thirteen and thirty-nine weeks ended September 30, 2023 and October 1, 2022.
